

King George VI Elementary School Snack Program

February 1, 2010

Dear Parents:

The snack program at King George VI has been in full swing since November. Thanks to the hard work of a hard working group of volunteers, your child has the opportunity to have a healthy snack served to them on Wednesday, Thursday and Friday of each week during the second nutrition break. This initiative is partially funded by grants from the provincial government and includes a fresh vegetable or fruit each day along with an item from a second food group. As mentioned, this program is partially funded by the provincial government, with the expectation that we will also raise our own funds to make up the difference. In February, the snack program will be holding three fundraisers:

February 11 & 12: A Valentine Grab Bag Sale will be held in the front hall of the school during first and second break. Each grab bag will be \$2 and you can purchase one for yourself or give it to your Valentine!!

February 11 – 19th: Raffle Tickets for a Sarnia Sting Jersey (size Youth-Large) as well as a 4-pack of Sting game tickets will be available for purchase during the 2nd break each day and at the ***Family Movie Night***. The cost is \$2 per ticket or 3 tickets for \$5. Rumor has it the jersey has been signed by all the Sting players. The winning raffle tickets will be drawn at the movie night. You do not have to be present to win.

Please support the snack program by sending in some toonies and loonies with your child for these two fundraisers.

Friday, February 19th , 6p.m.: What a great way to spend a cold, winter evening with your family and support a worthy, school initiative at the same time. By using the attached order form (located on page 3) your family will be able to order a pizza meal deal in advance through the school and it will be hot and ready for you to pick up and enjoy while watching a great, family movie in the school's gym. Bring your camp chairs, your favourite beach blankets and pillows and the kids can even wear their pyjamas!!

A Snack Program provides the kind of healthy goodness that helps children concentrate, have more energy, and get the most out of their school day!

Would you consider helping to ensure that the students at our school continue to receive the benefits of a nutritious snack? If you are able to help us out in any manner, be it volunteering your time in the kitchen, donating food items to the program (list of product items attached) or a monetary donation, ***please return the attached form on page 4*** to the school's office. Your generosity is greatly appreciated.

Sincerely,

The King George VI Snack Ladies

Snack Program Product Donation List
