Friday, April 20, 2012

"B" day

Friday, May 18, 2012

"A" day

Friday, June 8, 2012

"B" day

Pizza days for King George VI School this year will be held on one Friday every month, starting in October and continuing every month except March. Pizza will be served at the 2nd nutritional break on these days. We will have 4 "A Day" pizza days and 4 "B Day" pizza days to accommodate the Kindergarten students.

Attached are separate order forms for October & November. Please fill out your child's preferences for each month's order and send back both of the order forms simultaneously as well as payment for both months together. If your child is in Kindergarten, only the order form for the month that has a pizza day on the day your child will be attending (either "A" or "B" day) is attached. All orders are due back to the classroom by Wednesday, Oct. 19. Please make sure that each student's order goes to their own classroom to assist with ordering. Payment for siblings can be combined and sent to one class but order forms must be sent to the individual classrooms. Simply indicate on form that payment was sent with sibling and which classroom. Payment will be accepted in either cash or cheque. If you need to make other arrangements for payment (i.e. paying per month instead of all at once), please contact Janet Robbins at the school office to organize this.

The changes this year to the School Food and Beverage Policy by the Ministry of Education have necessitated changes to our pizza day program. Pizza and juice must now meet the new nutrition standards. Little Caesars Pizza is working with us to meet these standards and we will be purchasing 100% juice with no sugar added. Chips & dessert sales are no longer permitted. We have, however, been granted 3 "Special Event" days where we will be adding chips and a dessert to the order forms. These special days will occur on the December, February, & June pizza days.

Thank you for your co-operation with this as we strive to make school a fun learning environment for all of our students.

Regards,

Cindy MacNaughton

King George VI Pizza Day Coordinator
